

Letter from Alexander Graham Bell to Annie M. Sullivan, May 16, 1892, with transcript

COPY Bellevue Hotel Boston, May 16, 1892 Dear Miss Sullivan:

Allow me to enclose a copy of a letter sent last night to Major Keller — requesting the pleasure of Helen and yourself at the summer meeting of the Amer. Assoc. to promote the teaching of speech to the Deaf.

I wish to say to you also that we will welcome you to our meeting if you can come — as a guest of the Association.

I understood you to say that I should write to Major Keller upon the subject — but I think it only due to you that I should write to you also — as President of the Association — to invite you formally to attend our Summer meeting (June 29 to July 9) at Lake George, N. Y. — as a very welcome guest of the Association.

An answer will much oblige

Yours very sincerely, (signed) Alexander Graham Bell President
